

L-EDI Series

Exterior Door for Walls and Ceilings

Larsen's® Exterior Access Doors are manufactured and engineered to provide access to exterior applications ensuring years of protection against outdoor elements. Our new technology helps to manifest resistance to water and vapor. Our Exterior Door includes foam insulation and neoprene gasket on four sides.

Door is fabricated from 16 gauge, galvanized steel with a prime coat finish and 1" thick rigid foam insulation.

Frame is fabricated from 16 gauge, galvanized steel with a prime coat finish and provided with bolt holes.

Hinge is concealed and operates completely out of sight, so that only the door and frame are visible.

Exterior latch features a threaded ring latch or key operation.

Interior latch Release is included enabling the door to be opened from the inside.

Finish is a prime coat white, suitable for painting.
